Dear Ron,

I want you to know how much we appreciated your program on Thursday, August 19<sup>th</sup>. I have to admit that I was somewhat skeptical of a juggler holding the attention of our youth. But you got them at the start with your "old school rapping", and they stayed with you throughout the performance. I especially appreciated how you made yourself vulnerable, explaining how everyone makes mistakes and it's how you recover that counts.

Our youth can be very cynical at times and have difficulty opening up in front of others. I was amazed at how so many of them joined right in when you offered the opportunity for them to try their hand at juggling. I don't know if it was all a result of your performance, but I do know that we had a very quite, easy going day following it. So thank you very much for your time, your humor, and for caring about our youth. I highly recommend your program to kids of all ages!

Sincerely,  
Gary Morris, Director
